Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Every dragon dreams of entering the Cairn yet none wish to enter as a result of murder. Troika, the dragon with the twisted tail, is summoned home to the lair by a sweet and familiar voice. "Bring the trollkin known as Leaf to me or all will be lost," she beckons. Except, Troika has already fulfilled his destiny, and he has no reason to risk his life, yet again. Still, nobody denies an Elemental, and certainly not a dragon of the Sapphire clan. But is she calling him home to die, or will he expose the brutal killer before he becomes the next victim? Cairn: A Dragon Memoir penetrates the world of dragons, a society filled with smoke and lies where honorable wishes are warped by vague memories and unfathomable greed. Legends of the Aurora, the adventure trilogy that began with Blue on the Horizon now continues with Cairn: A Dragon Memoir. Troika peaked early in life, but the Fates are far from done with him. Each title in the trilogy encompasses a complete story. However, to truly understand the deeper mystery at the core of trilogy, you must read all three books. New Cover Art: September 2014.
